

## Novel note taking

*In order to be successful on your essay you must take notes from the reading.*

### NOTES:

- Choose a topic for your multiple paragraph essay from the prompt list
  - write your notes to your prompt
  - do NOT take notes on anything that does not apply to your topic
  - keep a list of significant chapters for your topic
- Keep a character list
  - adjectives for each person
  - quotes for each person
  - their relationship to the main character
- Keep a list of evidence
  - direct quotes from the text
  - descriptions from the text
- Keep a list of significant themes
  - what the novel values
  - what each character values
- Write the page numbers next to each note you write
